9. A Player who accumulates 250,000 in tournament chips ("The Milestone") or more will instantly receive direct entry into the Event #21 \$5,000 WPT NLH Spring Championship. Upon verification by poker room management, the player who achieved The Milestone will cease play and have their chips removed from play.
10. The tournament will conclude when the number of players remaining is equal to the remaining number of Event #21 \$5,000 WPT NLH Spring Championship direct entry seats to be awarded, less the number of Milestone Event #21 \$5,000 WPT NLH Spring Championship direct entry seats already awarded previously. Any odd monies will be awarded to the last player eliminated prior to the conclusion of the tournament. It is the players' responsibility to identify when they have reached the Milestone, and to notify poker room management accordingly. Any player dealt into a hand must complete the hand before verification of the Milestone by poker room management. Any player who subsequently falls below the Milestone, before verification can be completed, must once again reach the Milestone and have their chips verified, in order to be eligible for the Event #21 \$5,000 WPT NLH Spring Championship direct entry seat prize.
11. Only a member of Poker Room management can verify official chip counts. However, any other player at the table or the dealer can help identify and alert any other player who may have reached the Milestone. To better assist with identification of Milestones, and to assist with the counting process, we recommend players keep their chips in stacks of twenty (20) chips.
12. All pre-registered stacks will be in play at the start of the event.
13. The non seat prize pool cash disbursement, as set forth herein, may be modified upon unanimous written agreement of management and of all tournament players still involved in the tournament.
